

ePrivateWealth is a new digital portal offering 24/7 access to market information, wealth planning expertise, news and much more. To get started please read this quick reference guide.

ePrivateWealth: Getting started

Log in to ePrivateWealth

You can access ePrivateWealth from any device, including your mobile phone.

To get started, go to www.e-swisslife.com and use your email address, your password and the activation code you will receive on your smartphone.

- Prior to getting started you will need to sign an addendum to your Partnership agreement with us.
- You will receive an e-mail invitation from Swiss Life. With this invitation you can create your login credentials.
- Login to ePrivateWealth works with a two factor identification via SMS, using your e-mail address, your personal password and a verification code sent to your mobile phone number.
- ePrivateWealth is accessible at www.e-swisslife.com
- For help or in the case of login problems visit our Online services support section on our website www.swisslife-global.com/online-services/ePrivateWealth.html or contact us via partner. management@swisslife.com
- ePrivateWealth is an online platform that can be accessed by any device. It is responsive and accessible via a web browser, which can run on a computer, tablet or mobile phone.
