Global Solutions

# Global insurance

*As part of Swiss Life Group, a leading insurance company with 160 years of experience, Swiss Life Global Solutions provides a broad range of cross-border insurance solutions and services for wealthy individuals and international companies. Our purpose is to reduce complexity and create solutions in a world of constant change and thus enable our customers to live a longer self-determined life.*

## Global Private Wealth Solutions

High-end solutions for integrated wealth planning

By combining our cross-border life insurance expertise with our partner's wealth planning know-how, we design tailored and sophisticated solutions to accommodate our client's wealth and succession planning needs.

Present in key financial centres and together with selected partners from renowned financial and legal institutions, we combine life insurance with a wide range of investment opportunities to accommodate the requirements of our clients and their trusted advisors.

We serve markets in Europe and Asia with insurance carriers in Liechtenstein, Luxembourg and Singapore. The main distribution partners are private banks, asset managers, brokers and family offices.

## Global Employee Benefits Solutions

Tailored solutions for local and mobile employees

By combining our cross-border expertise with the local know-how of our network of partners, we design and manage Global Employee Benefits Solutions tailored to our clients' and partners' needs.

The local and cross-border solutions offered from Luxembourg include life insurance, health, world traveller and pension provisions which are designed as flexible modular programmes, tailored to each specific client's requirements.

Through our global network of independent leading local insurance companies, the Swiss Life Network, and our international team of experts based in Europe and Asia, we have a global reach to serve our clients' and partners' needs.
